

Contracting Entities Potentially Eligible to Switch Existing Sites to Non-Congregate Service

The CEs listed in this report reported a loss in Summer 2022 and operated in rural counties, making them **potentially** eligible to switch existing congregate sites to non-congregate sites in Summer 2023. Note that to be approved, sites cannot be located within a 2-mile radius of an existing congregate site. Interested Contracting Entities **must have an approved site application followed by submittal and approval of a Site Request to Serve Non-Congregate Meals**. Once approved, TDA will add an "NC" designation to the site name in TX-UNPS. Refer to SquareMeals for more information.
